

Assignment #1 - "Observations" at San Elijo Lagoon (Worksheet)

With the help of fellow students, compile a "list of observations" you made while on the field trip to **San Elijo Lagoon Nature Center and Preserve**. To get 1st Assignment credit (for 10 points), do the following:

- 1) Type up **10 observations** (or more) as "complete sentences." -- **Number them 1-10 (+)**.
 - 2) Conduct a **spell check** to be sure all words and sentences are correct on your list
 - 3) **Cut and paste** your observations into the body of an e-mail message.
 - 3) Address the **title** of the e-mail as "**Assignment #1**"
 - 4) Send the e-mail to pstoffer@miracosta.edu - **due** before midnight on **Monday 2/29**.
- ** Students who missed the field trip** need to do an "**Alternative Assignment**" listed on the course website: <http://geologycafe/oceans/alternative/index.html> to get credit.
